NorthWest Competitive Cheer (NWCC) is a recreational, non-profit, completely volunteer driven organization affiliated with American Youth Cheer (AYC). The program offers youth in the area a positive environment to not only learn the strength and discipline of the sport of cheerleading, but also the opportunity to instill confidence and build leadership skills. Since 2013, the program has trained hundreds of athletes and given them the opportunity to represent the state of Rhode Island and compete at a National level. NWCC holds two National Championship titles and multiple State and Regional first place accolades. Our goal is to qualify to compete at Nationals this year and bring home a third National title to the state! Your tax-deductible, contribution will help us reach our goal as well as expose your organization and business to the many NWCC Family and friends involved in this distinguished organization.
